**Our first practice session will be on Wednesday 1<sup>st</sup> July 2020**

### **Some important information:**

1. Let's Go Karting Sessions are temporarily suspended
2. No Trial or Day Memberships will be accepted due to the need for these to be done in person.
3. Practice is **ONLY** available to WSKC Members at present.
4. Regardless of your membership type you must register online to practice & Pay online – **payment must be made 24hours before attending** – Follow this link: <https://wskc.alphatiming.co.uk/register/series>
5. You must follow the COVID-19 onsite signage and any instructions from staff, as of 2<sup>nd</sup> June 2020 – you must still socially distance 2m from people out with your household, it is up to parent/guardians to ensure this is adhered to. Staff have the right to send home anyone breaching guidance as this could have us shut down.
6. Please bring with you a face mask / hand sanitizer, we ask you use these in the dummy grid & parc ferme area's and around any of the WSKC Officials/Marshal Team.
7. Each entrant is allowed 2 supporting persons to attend with them maximum at present. Max. **50** entrants per practice day and/or max 20 per class.
8. You must Sign-On online – this is extremely important, if you have not signed the online disclaimer by 5pm the day before you are due to practice you will be removed from the practice event – this is because paperwork must be printed and issued to WSKC officials in a timely manner – links to sign on will be emailed to all entrants at least 72hours before the day of attendance but usually within 24hours of registering.

### **How to register to practice:**

1. Log in to <https://wskc.alphatiming.co.uk/register/series> , all members were emailed recently to advise of the updates to Alpha, we are not responsible if you have not updated your log in yet and you miss out on attending practice.
2. You will receive a link to "Sign The Disclaimer", this is an only version of the form you used to manually sign, please read it carefully – Parent / Guardian consent also required for Under 18's.
3. When attending follow all guidance by WSKC Officials and on-site signage, please follow government guidelines on social distancing – if we do not enforce these we can be closed down.
4. Due to system workarounds you may show as a "non-member" online – do not worry we know who and who is not a member but this workaround allows the correct price to be charged online.
